We are pleased to tell you that four women have received funds to allow them to attend our upcoming district convention! This is a perfect example of what the endowment fund is for, and we thank all those who have contributed. Praise the Lord!

### Mission Goal Exceeds Expectations!

We have ended our fiscal biennium \$36,000 over our mission fund budget of \$161,000 and \$30,000 over our mite goal of \$130,000! All glory to God for this incredible gift.

### Calling All Young Women!

We have plenty of room for more young women at the 2024 LWML Mid-South District convention in Memphis, TN. Consider providing scholarships from your group or zone to cover expenses. Convention details are available [HERE](#).

### Mites in Action Updates

Do you wonder how things are going with some of our past Mission Grant recipients? We will hear about two of them at the convention. Rev. Dr. Roger Paavola will update us on the district GROW Grants program. We will also hear about Welcome Home Chattanooga.

### Mailbox Member Program to the Rescue!

The Mailbox Member Program (MMP) is an intentional way to reach the women of your congregation who may not be participating in established LWML group activities. For some great ideas, check out the webpage [HERE](#).
