

# LWML Mid-South District Assembly of Leaders 2023 Rollout Plan

Following is a set of instructions for implementing LWML Assembly of Leaders (AOL) resources in local groups and zones across the Mid-South District. These resources provide a multitude of ideas for encouraging LWML members, recruiting new LWML members, and most importantly, sharing God's Word.

ALL the Assembly of Leaders resources are available on the LWML website at [www.lwml.org/AOL](http://www.lwml.org/AOL). You may find other resources that you would like to use there. The following are what our district AOL team recommends.

## For Local Groups

### What's Your Why?

This exercise should take about 20 minutes and is a perfect topic for LWML group meetings. Participants are led through a process to help them develop their response to "Why be involved in the LWML?" The resources available are listed below and are all available on at [www.lwml.org/AOL](http://www.lwml.org/AOL).

[What's Your Why Video](#) (10 minutes, best to download to a laptop for viewing)

[What's Your Why PowerPoint](#) (5 slides with speaker notes)

[What's Your Why Handout](#) (2 pages, make enough copies for all participants)

[LWML Culture Monologue](#) with Discussion Questions (this monologue is a hoot!)

### Mission Grants - Global Adventure

This presentation should take about 20 minutes and would be a perfect resource to present to your local group or your whole congregation. It contains an incredible number of astounding facts about the history and progress of LWML mission grants! The resources available are listed below and are all available on at [www.lwml.org/AOL](http://www.lwml.org/AOL).

[Mission Grants Global Adventure PowerPoint](#) (35 slides with speaker notes)

[Mission Grants Global Adventure Slide Pictures for Taking Notes](#) (12 pages, optional)

Additionally, we have developed a streamlined version of this and made a video file out of it. It is available on the district website using the link below. It takes approximately 15 minutes to view.

[Mission Grants Global Adventure Slides/Notes](#) (24 pages, optional)

## For Zones

### Me? A Leader?

This resource would be good to use at a zone board meeting or a zone event. It should take about 40 minutes and details the elements of a good leader, includes how to encourage leaders, and allows for small group discussion.

[Me a Leader PowerPoint](#) (10 slides)

[Me a Leader Handout](#) (1 page, make enough copies for all participants)

[Me a Leader Video](#) (20 minutes, best to download to a laptop for viewing)

### Adventures in Planning

This resource is meant to be interactive so there is no PowerPoint or video component. The leader can use the script to direct participants. Supplies needed include sticky notes, and a flip chart or white board. This is a fun exercise that engages participants.

[Adventures in Planning Script](#) (5 pages, for leader's use)

[Adventures in Planning Handout](#) (1 page, make enough copies for all participants)

### Doctrinal Review

This presentation reminds us of the importance of having your pastoral counselor (PC) review anything that you publish that contains scripture passages or doctrine. There is a short PowerPoint presentation.

[Doctrinal Review Video](#) (14 minutes, best to download to a laptop for viewing)

## **Reporting**
