

YWR 2019 Mobile Convention Experience

The biannual convention of the Lutheran Women's Missionary League was held in Mobile and what a fun time it was! I have personally been attending conventions and LWML functions for as long as I can remember with my mother which is a special thing we share. Those of us there truly learned the value of LWML sisterhood and are excited to invite others to join us for functions in our home congregations as well as at the national and district conventions in future.

All of the "older" women at convention are always so encouraging to us as young women and are truly interested in seeing us pursue whatever it is we believe our God-given gifts and talents are. Without the encouragement of these women at home and throughout the district, I don't know if I would be taking my leadership in the church as far as I have been able to. All seven of us made it a goal to bring at least one friend and double our group by the next time we see each other. I know we can do it with everyone's support!
